Prime Financial First Unit Fund

Notes to the Financial Statements
as at and for the period ended 30 September 2026

1. The Fund

Prime Financial First Unit Fund is an open-ended fund established as a Trust under the Trust Act 1882 and registered with Sub-Registrar's Office under the Registration Act 1908 on 2 June 2010. Bangladesh Securities and Exchange Commission also approved the Fund on 13 June 2010 vide Registration Code No. SEC/Mutual Fund/2010/24. The initial size of the Fund is Tk. 200,000,000 (Taka two hundred million only) divided into 2,000,000 units of Taka 100 each. Subsequently the size of the Fund has been increased to Taka 1,000,000,000 (Taka one billion) divided into 10,000,000 units of Taka 100 each on 10 November 2010.

Prime Finance & Investment Limited is the sponsor of the Fund and subscribed an amount of Taka 3,000,000 (Taka three million) only.

2. Basis of preparation

2.1 Statement of compliance

The financial statements have been prepared in accordance with Bangladesh Accounting Standards (BAS) and Bangladesh Financial Reporting Standards (BFRS) and as per requirements of Bangladesh Securities and Exchange Commission (Mutual Fund) Rules, 2001 and other applicable laws and regulations.

2.2 Basis of measurement

These financial statements have been prepared on a going concern basis under historical cost convention in accordance with generally accepted accounting principles.

2.3 Functional currency and presentation currency

These financial statements are presented in Bangladesh Taka, which is also the Fund's functional currency. All financial information presented in Taka have been rounded off to the nearest taka.

2.4 Use of estimates and judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

2.5 Reporting period

The financial period of the Fund covers one year from 1 January to 31 December. These financial statements are prepared for the year from 1 January to 30 September 2026.

2.6 Taxation

The income of the Fund is exempted from Income Tax as per SRO No. 333-Act/Income Tax/2011 dated 10 November 2011, under section 44(4) clause (b) of Income Tax Ordinance 1984; hence no provision of tax is required.

3. Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

3.1 Investment policy

3.1.1 The Fund shall invest subject to the Rules and only in those securities, deposits and investments approved by the Securities and Exchange Commission and/or the Bangladesh Bank and/or the Insurance Development & Regulatory Authority (IDRA) of Bangladesh or any other competent authority in this regards.

3.1.2 Not less than 60% of the total assets of the Scheme of the Fund shall be invested in capital market instruments out of which at least 50 per cent shall be invested in listed securities.

3.2.3 Not more than 25% of the total asset of the Scheme of the Fund shall be invested in Fixed Income Securities (FIS).

3.2.4 Not more than 15% of the total asset of the Scheme of the Fund shall be invested in pre-IPOs at one time.

3.2.5 All money collected under the Fund shall be invested only in encashable/transferable instruments, securities whether in money market or capital market or privately placed pre-IPO equity, preference shares, debentures or securitized debts.

3.2.6 The Fund shall get the securities purchased or transferred in the name of the Fund.

3.2.7 Only the Asset Management Company will make the investment decisions and place orders for securities to be purchased or sold for the Scheme's portfolio.

3.2 Valuation policy

3.2.1 For listed securities, the average quoted market price on the stock exchanges on the date of valuation shall form the basis of any calculation of Net Asset Value of such securities in the portfolio of the Fund.

3.2.2 For securitized debts, debentures, margin or fixed deposits, the accrued interest on such instruments on the date of valuation shall be taken into account in any calculation of Net Asset Value of such securities in the portfolio of the Fund.

3.2.3 The valuation of non-listed securities will be made by the Asset Management Company with their reasonable value and approved by the Trustee and commented upon by the Auditors in the annual report of the Scheme.

3.2.4 Net Asset Value (NAV) calculation

The Fund will use the following formula to derive NAV per unit:
Total NAV $= V_A - L_T$
NAV per unit = Total NAV / No. of units outstanding

V_A = Value of all securities in vault + Value of all securities placed in lien + Cash in hand and at bank + Value of all securities receivables + receivables of proceeds of sale of investments + Dividend receivables net of tax + Interest receivables net of tax + Issue expenses amortized as on date + Printing, publication and stationery expenses amortized as on date.

L_T = Value of all securities payable + Payable against purchase of investments + Payable as brokerage and custodial charges + Payable as Trustee fees + All other payable related to printing, publication and stationery + Accrued deferred expenses with regard to management fee, annual fee, audit fee and safe keeping fee.

3.3 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand and cash at bank.

3.4 Provisions

A provision is recognized if, as a result of a past event, the Fund has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provision is ordinarily measured at the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

3.5 Revenue recognition

3.5.1 Capital gain

Capital gain is recognized on being realized.

3.5.2 Dividend income

Dividend income is recognized on being declared by the investee company if it is made within the balance sheet date.

3.5.3 Finance income

Finance income comprises interest income on fund kept at the bank account. Interest income is recognized as it accrues.

3.6 Cash flow statement

Cash flows from operating activities have been presented under direct method.

4. Investment at market price
